

SABA BATTERY

The Oldest and Largest Battery Manufacturer in Middle East Products

- Car Battery Manufacturing (LM, FM)
- Industrial Battery Manufacturing (OPZS, VRLA, PZS and etc.)
- Lithium Battery Manufacturing
- production of wind and solar and combined wind solar plants
- Production of Combined Heat and Power (CHP) plants
- Production of Solar Water Purifiers
- Production of Combined Cycle Plants
- Manufacturing of Refractory Products
- Manufacturing of Deep Cycle Batteries
- Design and Production of above Mentioned Production Lines and Factories
